

Help us reach our goal to replace school drinking fountains!

On Tuesday May 15, all SMS students will participate in a dance mini-marathon to raise money for new drinking fountains with bottle-filling capabilities for St. Mary School.

New drinking fountains will promote a healthy lifestyle for all of our students. Bottle-filling stations will divert plastic from landfills. Help us make this a reality for our school by making a donation!

Suggested family donation is \$50

A family donation of \$75 enters all students in the family in a drawing for one of five Target gift cards.

A family donation of \$100 or more entitles all students in the family to be entered in the drawing AND one out of uniform day! (details about out of uniform day to be distributed after fundraiser)

St. Mary FSO thanks you for your donation!

Family Name: _____ Amount of family donation: \$ _____

List names and grades of all children in family:

Make checks payable to St. Mary FSO.

Return to the school office in envelope provided **by May 15**

Check this box to receive a charitable donation letter for your taxes.
